Executive Director and Assistant Visit

Kirk Breed and Bon Smith visited the judges stand to inform the stewards that superfecta quick picks could still be purchased from mutuel clerks although self service machines did not allow such wagers. The stewards had ordered all superfecta quick pick wagering stopped last Saturday until further notice. Bay Meadows Tote (the 'hub') informed the stewards the wager was halted at that time. Today's information was relayed to Mutuel Manager Glenn Harris with an order to stop any further quick pick superfecta wagering, period! Mr. Breed and Mr. Smith stated that an ongoing investigation was taking place and we would be notified of future results.

Friday**05/16/08 (1) Juan Pablo Ramirez Hearing – Case #08SW-0057**

A hearing was held today for Owner Juan Pablo Ramirez for alleged violation of California Horse Racing Board Rules #1489 (J) (Grounds for Denial or Refusal of License), #1890 (Possession of Contraband), and #1900 (Grounds for Suspension or Revocation) all stemming from contraband found in Ramirez' tack room on a routine barn area inspection on April 03, 2008.

Present were the Board of Stewards, Owner Juan Pablo Ramirez, Senior Special Investigator Martin Snezek and Court Reporter Esther Schwartz.

Ramirez was afforded his rights at the commencement of the hearing.

Ramirez admitted that all the contraband was in his possession, but swore he did not use anything on his horses. The contraband consisted of numerous syringes (with and without needles) and many empty and partially full inject able vials (all containing therapeutic drugs). Also found were materials that could possibly be used for 'tubing' a horse with a 'milkshake'.

All relevant evidence and testimony was accepted on the record and the hearing closed. Disposition to follow.

05/16/08 (2) Third Race – Inquiry/No Change

#2 "My Trying Ryan" (Kent Fox) went off stride at the start and finished third (3rd). The inquiry sign was posted to verify compliance with the breaking rule. Horse and driver complied. No change.

05/16/08 (3) Fourth Race – Recall

The starting gate suffered a broken chain which would not allow the wings to close. A recall was declared and a nine (9) minute delay occurred while Starter Bill Vallandingham procured the backup gate. Original post 7:24, off time 7:33.

05/16/08 (4) Eleventh Race – Recall

The original starting gate, (which had been placed back in action after an earlier mishap which was fixed), broke another part, necessitating another recall and switch to the backup. Starter Vallandingham was told to use the backup for the rest of the evening.

Saturday05/17/08 (1) **Jose Ramirez Ruling****Ruling # 30**

Trainer Jose Ramirez, who started "Chicote" in the Thirteenth Race on Friday, May 16, 2008, is hereby fined the sum of Fifty (\$50) Dollars for violation of California Horse Racing Board Rule #1530 (Cases Not Covered – Failure to Name the Proper Driver by the Prescribed Time Necessitating a Late Driver Change).

The above ruling was issued after Ramirez was contacted and admitted that named driver "Gilbert Herrera" had told him not to name him on horses. "Chicote" ended up being driven by Etienne Desomer.

05/17/08 (2) **Petrelli Ruling****Ruling # 31**

Trainer Frank Petrelli, who started "Dawnlikeslillies" (03/29/08 – 12th Race – 1st), "Hoosier Punk" (03/29/08 – 6th Race – 1st), "Tycoon Ernesto" (04/03/08 – 6th Race – 2nd), "Battleshoe Deal" (04/11/08 – 14th Race – 1st), "Tirade" (04/03/08 – 5th Race – 1st), "Sassy Brenda" (04/10/08 – 4th Race – 2nd), "C Easter Sunrise" (04/10/08 – 8th Race – 3rd), is hereby fined the sum of Two Thousand One Hundred (\$2,100) Dollars pursuant to California Horse Racing Board Rule #1887 (Trainer To Insure Condition Of Horse) for violation of California Horse Racing Board Rule #1843 (D) (Medications, Drugs and Other Substances – Methocarbamol (Robaxin) In Excess Of Permitted Level) Class VI – multiple violations.

The above ruling was issued following approval from Executive Director Kirk Breed to have the stewards negotiate a settlement on the matter.

The following mitigating circumstances and logic behind the settlement are as follows:

- 1) All the alleged positives stemmed from races contested between March 29, 2008 and April 11, 2008. Petrelli was not notified of the first positive until April 15, 2008 and had no opportunity to change barn procedure until that date.
- 2) The normal penalty for a first Class VI violation has been Three Hundred (\$300) Dollars.
- 3) Petrelli should be accountable for all seven positives, but an increase in each case would be exorbitant.
- 4) Logically, seven (7) times Three Hundred (\$300) Dollars would make the penalty Two Thousand One Hundred (\$2,100) Dollars, making him responsible for all seven, while not unduly penalizing him.

05/17/08 (3) **Good Racing**

This evening's eleven (11) races were contested without incident.
